

White Mountain Café & Bookstore swag.

Our cozy White Mountain Cafe Bookstore is filled with everything from humor to how-to, and lots in between. If you're new to the region and looking for information, take a moment and check out our titles! The bookstore has the best collection of local hiking, climbing and paddling guides in the area, along with a large collection of local authors. Kids even have their own room, featuring classic picture books along with the latest from noted toy designers Melissa and Doug.

White Mountain Cafe tee shirts have been spotted the world around. Besides these high-quality T's and hoodies adorned with our beautiful mountain-and-coffee logo, we carry, hats, aprons, a variety of mugs, and french presses.

Need a particular book or gift? Order via email, and we'll have it in stock usually in 48 hours.
